

REPORT

Subject. Re matters noted in the sale of cheap rice by 690 Chekiang Road and 84 Amoy Road rice-shops.

Made by S.I. Shao Kwang Liang. Forwarded by M. M. MacLean, C.I.
Officer i/c Louza

Sir,

I beg to report that, between 1 pm. and 5 pm. on 5-10-40, the undersigned was on duty with C.P.C.s 77, 79 and 427 at 690 Chekiang Road and 84 Amoy Road rice-shops looking after both shops re the sale of cheap rice.

At 1 pm. 5-10-40, the former of the above-mentioned shops commenced selling the coupons with which rice could be obtained from the latter shop. It is understood that 2400 coupons are to be sold everyday.

At about 2.30 pm., the former shop declared that all coupons had been sold out which declaration the undersigned doubted, as this job required a more lengthy period of time.

At about 4.30 pm., the latter shop finished issuing rice and no more persons were seen coming for same. The undersigned then checked the amount of coupons collected with the assistance of the above-mentioned C.F.C.s and found that there were only about 1600 with a shortage of 700 and more.

It is suspected that the above 2 shops might have concerned together and intended to misappropriate the cheap rice for a better price.

This suspected practice may be carried out by other shops dealing with cheap rice.

I am, Sir,

Cheap Sale Committee.

Dated 21st September, 1940.

Rice Cheap sales: Police protection wanted.

We have continued the cheap sale of rice daily from 2 p.m. (D.S.T.) since the 19th instant. Although the Police Department was requested in advance to accord us protection, according to telephone messages received from various rice shops, constables either failed to arrive in time or did not turn up at all yesterday; the result was that there was some disorder and in some cases shop counters and furniture were destroyed by the overwhelming crowd of purchasers. During the previous cheap sale period the price of rice was not so high as now, so that purchasers were comparatively few and police protection was not very urgent. As we cannot dispense with police protection for a moment at the present time, will you please request the Police Authorities to send Constables to the shop punctually to ensure safety. Attention should be given particularly to shops under the jurisdiction of the Gordon Road and Pootoo Road Police Stations. Please give this matter attention and oblige.

Translation of letter to Council
from the Shanghai Committee for
Cheap sale of Rice.

Dated 13th September, 1940.

Rice: Cheap sales.

More than eight months have passed since this Committee was formed on 5th January this year. We are very grateful to the Council for according us sympathetic support and to the various business associations and individuals for their generous contributions and assistance. To sell rice at cheap price to relieve the poor is in accord with our natural duty to help our fellow-beings. In the past, such sales have always been conducted as temporary expedients and have never been continued for any protracted time. The members of our Committee tremble constantly in view of their heavy responsibility. In the first period cheap sales were held on three occasions. A total of 103,886 bags of Saigon rice was sold at a loss of more than \$718,400.

During the second period cheap sales were conducted twice. As about 20,000 bags were sold, we suffered a loss of over \$167,000. Up to the present we have still over 34,000 bags, which are barely sufficient for two months. Since we have exhausted our means in connexion with the raising of funds for the purchase of rice, we now propose to wind up our work as soon as the remaining stock is sold out. As we must notify the public in advance, the Council is hereby requested to take note and oblige,

from August 5

Made by and Forwarded by D. I. Crawford

Thirteen committee members of the Shanghai Cheap Rice Sales Committee, at a meeting held in their office, 93 Canton Road, between 3 p.m. and 4.10 p.m. August 1, decided that the cheap sales of rice now being conducted by 60 rice shops in the Settlement and French Concession be temporarily suspended for a period of 10 days as from August 5, in order to enable the selection of new selling centres and the refixing of prices. It was also decided that a further meeting be held at 3 p.m. August 10 to discuss arrangements for the continuance of the sales on August 15.

A perusal of the recent cheap sale of rice shows that there were very few people took advantage of the opportunity to purchase the rice compared with the sales conducted previously. The following table shows the daily average number of bags of rice sold and of persons making purchases during the past and present cheap sales :-

Date	Average Number of bags per day	Average Number of persons per day
21/1/40 to 5/2/40	1,715 bags	49,000 persons.
23/2/40 to 13/3/40	1,970 bags	68,950 persons
19/3/40 to 7/4/40	1,375 bags	48,125 persons

Translation of a letter received from the Shanghai
Rice Shop Owners' Guild in connection with cheap
sale of rice

July 11, 1940.

To the S.M.C.

At the request of the Rice Cheap Sales Committee, this guild will undertake the fourth cheap sale of rice. We have appointed 30 shops to sell coupons and 30 shops issue rice. 36 of the shops are located in the International Settlement 18 of which will sell coupons while the remaining 18 shops will issue rice. 24 shops are located in the French Concession; 12 shops to sell coupons and the remaining 12 to issue rice.

Owing to the hot weather, the sales and issues will be conducted between 7 a.m. and 10 a.m. (Summer Time). The transportation and delivery of the rice to shops will be carried out after 10 noon each day.

30 copies of a list of the rice shops designated by this guild are attached for your reference, and for the information of the police stations concerned.

Please instruct the Police stations to appoint policemen for duty at the shops to maintain order. The policemen on duty should pay particular attention to the arrival of trucks with rice for cheap sale on every afternoon. Cases happened in the past wherein policemen detained trucks loaded with 30 bags each on the ground that they were overloaded. As the Cheap Sales Committee stipulates that each place has to sell 30 bags a day, it is necessary that one truck should carry this quantity. Please instruct the Police not to interfere in such cases so as to facilitate the sale.

The Shanghai Committee for Cheap Sale of Rice will re-commence sales at rice shops in the Settlement and French Concession, from July 16, 1940. The hours of sale will be from 7 a.m. to 10 a.m. daily. A number of shops will sell coupons entitling the holder to purchase 4 Shih Chin (catties) of rice for \$1.00. The coupon will bear the address of the shop at which the rice may be purchased.

Purchasers are hereby called upon to take note that as the sales are conducted as a philanthropic undertaking intended to benefit the people they must observe strict order and not cause any disturbance while making their purchases. Should unruly characters create any trouble at these rice shops on any pretext whatsoever, they will be instantly arrested and severely punished.

Shops selling coupons and rice are listed in all newspapers.

Translation of Letter No. 226 from the Committee for the Sale of Cheap Rice.

July 12, 1940.

Police Department,
Shanghai Municipal Council.

Sirs,

Whilst appreciating the presence of your policemen to maintain order at various centres where cheap rice was sold under the auspices of this Committee on several previous occasions, we beg to inform you that the work will be re-started on the 16th inst. and the rice shops - 16 in the International Settlement and 12 in the French Concession, having previously handled the work will again be requested to sell tickets and issue rice at \$1.00 for 4 catties per head, each of them will dispose of 50 bags daily, commencing from 7 a.m. to 10 a.m. in view of the hot weather. The transportation of this cheap rice in trucks, each one to carry a load of 50 bags, from the godown to various centres will be carried out in the afternoons instead of in the mornings as previously to have been the case.

Further we wish to draw your attention to the fact that on previous occasions unnecessary delay was caused by the action on the part of your policemen who detained our trucks alleging that they were overloaded, and that some policemen failed to come on duty in time owing to some reason. Although no disturbance took

Fourteen members of the Shanghai Cheap Rice Sales Committee held a meeting in the Shanghai Navigation Club, 93 Canton Road, between 4 p.m. and 5.30 p.m. July 2 with Mr. Yu Ya Ching presiding. The following resolutions were discussed and passed :-

1. That cheap sales of rice be conducted as from July 16, 1940, and that sixty rice shops in the Settlement and French Concession be requested to carry out the sales (30 shops to sell coupons and 30 shops to issue rice.)
2. That the sales be started with the 15,000 bags of rice on hand which were left over from the previous sales and that the sales be temporarily suspended should it be found that the rice on order will not arrive in time to carry on with the sales.
3. That each purchaser will be allowed to buy not more than \$1 worth of rice at \$40.00 per "zar", i.e. \$1 for 4 catties.
4. That a total of 1,500 bags of rice be disposed off in one day at 50 bags each shop.
5. That the sales be carried out in the forenoon instead of in the afternoon as on previous occasions, because of the hot weather, and that definite hours be decided upon by the Shanghai Rice Shop Owners' Guild.
